

June 23, 2025

Dear Patient,

As you may have heard, Dr. Robert Brown, General Surgeon, will be departing from Wilbarger General Hospital as of July 28, 2025. This unfortunate development is due to unforeseen circumstances which were beyond the control of Wilbarger General Hospital.

It is important that we continue to provide the very same top-quality patient care and compassion that our patients and their family members have come to expect. We are actively assisting all patients in finding a suitable replacement and we are working diligently to ensure a smooth transition for when the time comes.

Please note that you can still obtain your medical records directly through our Health Information Management (HIM) department.

On behalf of Wilbarger General Hospital, we wish to thank you for choosing us as your specialty care provider. Please feel free to reach out to us with any questions or concerns.

Kind Regards,

Alberta Walburg
